Mark and Lynn,

I am writing this letter to thank you for your outstanding work on the Eastern Iowa Commuter Bus RFP Project. Your transportation expertise and attention to detail were tremendously valuable to Windstar Lines.

This RFP had a lot of requirements that were new to us. Your knowledge of government funded programs was instrumental to Windstar Lines receiving the winning bid. With your communication and organizational skills, it made this large project seem more manageable.

Again, I would like to express my sincere thanks for your contributions to our successful proposal. I look forward to the opportunity to work together again.

Sincerely,

Patrick Greteman
Vice President
Windstar Lines, Inc.
