RE: Getting Involved – Marketing and Business Development by Engaging in your Local Community

Dear Mark:

Thank you for participating in the 2018 UMA Motorcoach EXPO Solution Session, “Getting Involved – Marketing and Business Development by Engaging in your Local Community”.

I have already heard many positive comments regarding your session and I suspect the discussion will go a long way towards helping attendees shape their future efforts in this area.

The UMA Motorcoach EXPO travels to Ft. Lauderdale, FL next year, January 6-10, 2019. ~~Hope~~ ^{will} we see you there!

Again, thank you for your generosity of time and knowledge informing United Motorcoach Association operating company members and helping make the 2018 UMA Motorcoach EXPO a tremendous success!

Warmest regards,

Ken Presley
